Sub: Request to stop the evils of begging.

Sir,
I request you to publish a few lines in your Newspaper under the column "Letter to the Editor" regarding the evils of begging.

Begging is a great evil in society. It is an admitted fact that India is not a rich Country but begging is not a profession. The people should work to earn their living. It should be discouraged. It is a crime. It makes men lazy and they fall a victim to many evil habits. The attention of the Government should be drawn to it.
Thanking you.

Yours faithfully,
Riyansh Sahni
