# Letter of condolence from a lady to a mother on the death of her son

1020/32 Sector,  
Chandigarh

18 June 20.....

My dear Mrs. Ahuja,

I was deeply grieved to hear the terrible news of the death of your son. The death news is a bolt from blue. I have no words to express my sorrow for your bereavement. I understand what a blow it must be for you to lose your son in the prime age of his life. Mysterious are the ways of God.

Death keeps no calendar. In fact, a mountain of misfortunes has fallen upon you. It was the will of the Almighty God. Who can fight against him? Have patience and console yourself.

Yours incerely,  
Deepak Gupta
